ABOUT US

At Star Performers, we believe in cultivating and nurturing children through the joy of the Performing Arts. Our aim is to educate and enhance young lives through music and drama by providing an environment that utilises play, instruments, self-expression and imagination through our bodies and our voices.

Whether it's a strong introduction into music and drama or the small beginnings of learning how to clap, sing and perform to all the classics, children in our classes and workshops, learn and develop confidence, concentration, sensory awareness, language and motor skills.
